Supermarket food fresh light 30W Data sheet

30W food fresh light

Product Description

- 1. Item No: NK-SFLW-30W
- 1. Dimension: 230×200mm
- 2. CRI ≥ 80
- 3. CCT: 2700K-6500K
- 4. Luminance flux(lm): 110lm/W
- 5. Input Voltage: AC100-240V
- 6. Power: 30W
- 7. IP rate: IP20

Features

- 1. Using high brightness high-power integrated chips
- 2. Large cooling area. Ensure the LED junction temperature at work, Ta at 25 °C Tj < 50 °C.
- 3. High quality reflectors, soft light, high light rate ;
- 4. High color rendering index, showing the most intuitive and clear pictures, and color temperatures is optional

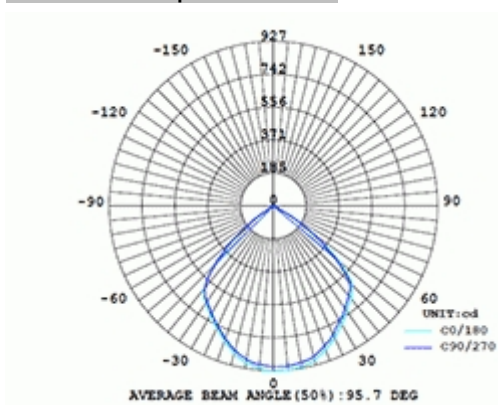

Supermarket fresh led pendent light

Supermarket fresh lights makes Meat /Bakery/Fruit/Vegetable/Seafood products with less visual discoloration. can be widely used in outdoor and humid environment.

Technical Parameters

Part No.	IP Rank	CCT (K)	POWER (W)	Input Voltage	PF	Luminous flux(Lm)	CRI	Beam angle	LED	NW (Kg)	Dimension (mm)
NK-SFLW-30W01	IP 20	2700 /6500	30	AC 100-240	≥0.9	3000 / 3400	≥80	120	COB	3.6	Φ230×H200

Illuminance parameters
